PROFILE SUMMARY

Emerging Software Engineer with a strong foundation in Java, Data Structures & Algorithms, and full-stack development using React and Spring Boot. Experienced in building scalable web applications and RESTful APIs, with additional skills in data analysis using Python, Pandas, and SQL. Passionate about developing efficient, data-driven solutions to solve real-world problems.

EDUCATION

B.Tech Information Technology (2023–2027)

Sri Krishna College of Technology | CGPA: 8.2

Higher Secondary Education (2022–2023)

Velammal Bodhi Campus, Theni

TECHNICAL SKILLS

- Languages:** Java, Python
- Frontend:** HTML, CSS, React.js,
- Backend:** Spring Boot
- Database:** MySQL
- Tools & Frameworks:** GitHub, Visual Studio Code, Jupyter Notebook, Figma
- Data Analytics:** Excel, PowerBI, Pandas, NumPy
- Soft Skills:** Leadership, Problem Solving, Team Collaboration, Project Management
- Languages Known:** Tamil (Proficient), English (Proficient)

PROJECTS

1. Freelancing Platform

- Developed a full-stack platform to connect freelancers with clients, enabling secure project management and real-time communication.
- Implemented user authentication, profile management, and responsive UI using **React** and **Spring Boot**.

2. Secure AI Data Leak Detection System

- Developed a secure AI gateway to detect and prevent sensitive data leakage in user prompts.
- Implemented pattern-based detection and data masking to identify and protect confidential information before sending to external AI APIs.
- Built monitoring and logging mechanisms to ensure secure and controlled AI usage.

3. Real Estate Management System

- Created a **property management web app** with CRUD operations, property listings, and admin dashboards.
- Utilized **Java, Spring Boot, and MySQL** for efficient backend processing and database management.

ACHIEVEMENTS

- | | |
|--|------|
| Successfully completed “Wheels on Bot” Robotics Course, certified by Sri Krishna College of Technology . | 2023 |
| Smart India Hackathon 2024 – Ranked in top 5 teams among 100+ participants at college level. | 2024 |
| Winner – Photography Competition at PSG College of Technology, secured 1st place among 50+ participants. | 2025 |
